PROFILE SUMMARY

Sanjeet Kumar is a highly accomplished Subject Matter Expert and Security Consultant with over a decade of experience in cybersecurity, cloud technologies, and technical training. A certified Microsoft Certified Trainer (MCT), he has delivered comprehensive training programs and hands-on labs across Microsoft Azure and Google Cloud platforms. Sanjeet possesses deep expertise in Azure Sentinel, AI services, and application security, coupled with strong instructional skills and a passion for empowering learners. He has successfully mentored real-time cloud and security projects, contributed to curriculum development, and ensured regulatory compliance. His ability to simplify complex technical concepts makes him a trusted guide in both academic and corporate environments.

EXPERIENCE

SUBJECT MATTER EXPERT & CONSULTANT

Cloudthat Technologies Private Limited | Apr 2022 - present

My responsibilities include:

- Monitored Microsoft Azure Sentinel dashboards to detect potential security incidents.
- Performed triage and analysis of alerts, escalating incidents as required.
- Conducted training sessions for Azure and Google Cloud certification programs, covering cloud, security, and AI technologies.
- Delivered hands-on labs on Azure AI services, including natural language processing, document intelligence, and computer vision.
- Guided learners in real-time projects involving data ingestion, processing, and visualization on cloud platforms.
- Created learning modules for data science fundamentals and advanced machine learning techniques.
- Collaborated with teams to update monitoring rules and customize learning content based on current industry needs.
